IMPORTANT NOTICE TO OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association would advise all animal owners who have their animals insured, to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little or nothing at all to do this, depending on who you have insurance with. The reason for us giving you this advice is that if your animal lashed out, and injured someone or damaged someone's property, and it is established that your animal was out of control at that time, you may be held responsible or partly responsible for any injury or damage caused you may end up paying

all or part of any settlement reached.

SAFETY AT SHOWS

We all want to have a successful, enjoyable show but also a safe and accident free occasion. To ensure this, the co-operation of all is vital, including exhibitors, spectators and organisers. *A few guidelines to note in relation to safety are as follows:*

- Please observe signs – especially those relating to caution in livestock areas.
- Please do not exhibit animals that are unsuitable with regard to safety e.g. hard to control.
- It is advisable for exhibitors to have insurance on their animals, to include cover for exhibiting at the show.
- All animals must be led by a competent handler.
- Animals should not be tied to trailers or left in trailers.
- Dogs should be on a lead and under the control of the handler.
- Caution and care should be exercised at all times.

COMMERCIAL CATTLE

All animals must be on site before 10am on Show Day, and must not leave the site before 4pm.
